

About Anointed to Dance Inc.

Anointed to Dance Inc. was founded by Minister Layesha Walton in 2004 shortly after the Music & Dance Unto the Lord Conference was established. While developing and managing the growth of the prominent, and annual national worship arts conference Music & Dance Unto the Lord, Layesha became highly sought after to teach, speak and dance at various conferences and workshops around the country. Because of her love for Jesus Christ, and undying love for the art of dance Layesha answered the call to teach, reach and restore women, girls and

liturgical leaders who desire balance between the call of God, the gift of creativity and God's expectation of Godly character.

Through Anointed to Dance (A2D), Layesha conducts liturgical (technique-based) and prophetic dance classes/workshops, seminars, choreography, and ministry presentations nationally. Her dance background includes Ballet, Modern, and Jazz. The mission of A2D is to further the gospel of Jesus Christ, through the Word of God and dance. In addition to the multiple services we provide. We are very excited about The A2D Project, for people who desire to take professional dance classes but aren't able to because of physical, financial or special needs. We also provide health and wellness activities, events and resources for dance leaders. This is a 501c3 non-profit organization.
